United States Federal Court Judge  
Eastern District Court  
225 Cadman Plaza East  
Brooklyn, New York

Re: United States v. Anthony Noterile et al.,  
Docket No.: 15-M-585

Dear Judge Matsumoto:

Kindly be advised that counsel would like to request a cancellation of the bail hearing and submission set for tomorrow in front of your Honor. The government and defense counsel have been in constant contact and we are close to a compromise for Mr. Noterile's bail. However, we need a little bit more time to come to an agreement.

In the event the negotiations fall through, the undersigned will contact chambers and will request a new hearing date. However, at this time please take this matter off the court docket, and when all parties agree to a bail we will notify the magistrate judge.

Respectfully Submitted,  
Gerard M. Marrone, Esq.
